Dear Parents/Guardians,

Are you Cybersafe?

As mentioned in earlier columns, our ever changing world continues to provide greater access to instant communication with friends, family, others around the globe and knowledge at our fingertips. The brilliant opportunities that technology delivers are a phenomenal resource. However, as children have this accessibility more readily available, the need to ensure we all understand the great responsibility we have as providers is crucial. As students have access to social media close at hand and outside the school's safe network, it is vital that the impact and 'safe use' of social media is consistently revisited. This topic is covered in many curriculum areas. This week it has been great to have Justin Tyers, our local police officer, to share the legalities and impact of social media with our younger secondary students and previously, guest speakers to other secondary year levels. For parents, the notions of cyber safety is even more crucial. What is cybersafety? Who are 'real friends' through social media? These are all important topics that should be openly discussed at home. If you have not yet researched cyber safety or are unsure where to go for information, I recommend the following websites:

cybersmart.gov.au

education.vic.gov.au (search 'cybersafety' in the top right corner)

Students Shine at the Corryong Show

It has been a great week and even more fantastic seeing our students participate in the competitions of the local Corryong Show. There were many of the blue 'first prize' certificates displaying many Corryong College kids names. It was a treat to see the artworks, dioramas, craft, baking, and fresh produce. The decorated fresh produce as characters was a hoot.

Junior Drop Off Zone

Please remember that the junior drop off zone in Donaldson Street, is a NO STANDING/PARKING zone. This is to ensure our young ones remain safe. I have noticed this zone has been used to park or to do a 'quick' run in to the office or equivalent. If this is needed, please do not park in the drop off zone. Many thanks in advance.

Pupil Free Day Reminders

Please be reminded that there is a Curriculum Day on **Wednesday 22nd March** and therefore no classes or supervision will be running on this day.

Change to end-of-day Friday 31st March

On the last day of term, due to the limited road access for the Man from Snowy River Festival Parade, **school will finish at 2:00pm. Junior students will be joining the Senior Campus in the afternoon therefore ALL students will depart from the Senior Campus.** Bus students will be collected from Sacred Heart at 1:50pm and Corryong College students at the Senior Campus at 2:00pm. The school, including the office, will also be closed at this time.

In the Classrooms

I thoroughly enjoy joining the students in their learning. This is really well received as the kids are jumping up proudly to explain their learning.

Multiplication and division of indices was the challenge in the Year 7 maths class, however the challenge was definitely more mine than theirs. What great teachers the kids make as they proudly walked me through the processes.

Our Year 9/10 Ag Science students tested the sugar content in particular foods. The aim being to compare store-bought fresh produce to home grown; using a refractometer to determine whether fruits were ripe and the period of which they may have been stored. It was great to be informed by many of the kids that this process was also used to test colostrum.

The Year 8 music class have been tapping out beats on the drums, creating rhythm and melody via the keyboard or guitar. The Year 8 class are collectively learning a piece of music and taking on the challenge of playing in a band ensemble keeping time with their peers.

In Year 9/10 English, one of the students shared with me a recent book read titled *A Boy Called It*, delving into the hardships of family violence, whilst the main character goes through life overcoming these adversities. Strength and the courage to change were concepts explored. The maturity of the students amazes me as they delve into the explanations of the characters.

Wishing all a great week ahead.
