Dear Parents/Guardians,

The last week has been an extra busy week with so many varying activities occurring; CFA, NAPLAN, Junior Cross Country, Team Help and the Mobile Dental Van. All students will be looking forward to a restful Saturday before spoiling that special Mum in their life on Mothers Day this Sunday.

NAPLAN testing complete

Well done to all the students who have now completed their NAPLAN tests. They can all rest easy over the weekend knowing they gave it their best effort. I was impressed with the diligence and manner that all students conducted themselves through, what can be a stressful time. Thank you to all staff that carried out the, preparation, introductions and supervision in a way that allowed students support and comfort, and moreover a quiet and peaceful environment. Whilst it will be some time off before results are released, the data will be added to further data collected by teachers in classes and across year groups. This allows all staff, within their Professional Learning Teams (F-4, 5-8, 9-12) to continue to analyse the strengths and areas of improvement as we continue to work together to improve student outcomes. Across our region, Corryong College has been highlighted for our great NAPLAN achievements which have been presented to our network schools. This is a great affirmation of the work we do and strong encouragement for all to continue high expectations that all students can learn, reiterating our strong learning culture.

CFA training day at Corryong goes

Corryong College hosted the CFA day Monday this week, where all CFA students carried out training in 2 line hose attack and hose maintenance, CPR scenarios, communication training, fire control methods practice and minimum skills theory. Its great to see them all working together, assisting each other's skill development as individuals and collaboratively as a team. Thank you to the CFA parent and Parents Club who made all their meals for the day. It was great to see the enthusiasm, in not only our CFA students, but also from all our other Corryong College students as they looked on at the CFA activities with intrigue.

The Dental Van arrives at the college

The dental van arrived early Thursday morning and will be here until next week. It is quite the sight to see as it presents a remarkably high tech clinic. Students have been presenting their brilliant smiles after their dental visits. A large thank you to Marcie Venturato for the organisation and liaising with the dental clinic.

'Team Help' talk aspirations and dreams to our Year 5-8 students

Last Friday Year 5-8 had the pleasure of meeting 'Team Help' of which they engaged in discussions of 'following your dreams' and living with that 'can do' attitude. Team Help shared their experience of swimming 2400kms of the Murray River to raise money for Cancer research. The talks were welcomed by all students. The students were then 'wowed' by a magic show presented by one of the guest speakers, Hunter, who will be presenting further magic stunts at the Uniting Church Hall this Friday and Saturday night, 7:30pm. This is a free event for all ages.

Junior Campus presents "Cuppa for Cancer" Day

Congratulations to the Year 4s who are working with the Student Leadership Team towards their Cancer Council Fundraiser Thursday 18th May. Students will work hard to create their scrumptious cup cakes during their cooking class, ready to serve for a gold coin donation at recess at the junior campus. Please get behind them and support this great cause by giving your child, within the F-4 year groups, a gold coin to contribute.

Wishing you all a great week ahead. To our special Mums, as well as those special women that are the mother figure in our students lives, we wish you all Happy Mother's Day that brings you and your family a day of love and laughter.

Fran Heath
Acting Principal

This will be followed by some activities organised by the Grade 4 and the leadership students at the senior campus period 5&6.

HAPPY

MOTHERS

DAY TO ALL

This term in music the Year 4, 5 & 6s are learning to play guitar, using the guitars that were funded by the Parents Club and the Bush Festival Community grant program. The Year 4's this week were excited to learn some new chords and play (and sing!) along with some contemporary tunes. We managed to catch some happy snaps of them on Wednesday.

CFA Advance Corryong day Monday May 8th

On Monday, students from Corryong, Mt Beauty and Tallangatta Youth Crews converged on Corryong for their 3rd training day of the year. Volunteers from brigades in the 3 school areas donated time and appliances to ensure that the students were able to train with real equipment and familiarise themselves with the equipment that is actually used by the CFA. This week's training focussed on tanker operations - racing in 2 line hose attacks and hose maintenance, fire control methods – creating mineral control lines, back-burning and knap-sacks, and CPR scenarios as well as communications and theory components required for the Minimum Skills certification.

Parents Club and crew parents provided 3 hearty and delicious meals for all involved and for this we send them a huge thank you. We could not hold these days without the help of all our fantastic volunteers who give their time so freely and the brigades who provide us with resources and appliances. I'm sure everyone is looking forward to the next training day at Mt Beauty in June.

Dear Parents

Corryong College Parent's Club are inviting you to take out a family membership for only \$5.

Along with your assistance, the memberships will enable us to continue our important contribution to our school environment. Up-coming projects include purchase of mats for the junior campus, build shade shelters, subsidise excursions, beautifying the gardens and working bees.

One of our biggest fundraisers is our local OP Shop, we receive substantial funds annually and need each family to consider donating good quality items, partaking in the roster or cutting up rags.

Parents Club normally meet twice a term, please feel free to come along and express your views. (Refer to KIT for our meeting dates.) We also organise weekly pie days to ensure the students are able to have a hot meal in winter.

Finally, thank you for your assistance. We all want the very best education and surrounds for our children. Together we can make our school an excellent school.

Yours truly

Melissa Humphrey
