### Dear Parents/Guardians,

It has been a great week this week with the sunshine out and many events and activities that were put on for, and by, our students.

The *Color Run* was the post celebration of our cross country day. Congratulations to all our Cross Country Age Champions (details below). Thank you so much to all staff that assisted in the organisation of these events, especially Warren Sinclair. Thank you to the parents who came and supported. What great opportunities for parents. It's great to see how an event such as Cross Country can turn into such an amazing day. It was also a delight to have the police horses visit our students, of which all students and staff were absolutely delighted! Thanks to the local Police staff who sent them up after the official opening of the new Corryong Police Station.

The Wheelchair Basketball was also on this week with students from the Year 10 & 11, able to have the opportunity to experience the challenge of playing wheelchair basketball. The students said it was really hard and tiring on your arms. The also stated they gained a high admiration and understanding for those in a wheelchair or with disabilities. Year 12 were able to have a talk with the presenter around choices in life and living with prosthetic limbs. All students left the session feeling inspired.

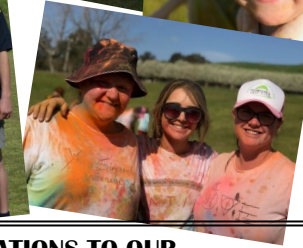

This week the Year 2 got dressed for the part to visit the Corryong Museum. Comments were made around how well, even our young ones, present themselves to the community. This is always great to hear and serves for a great reminder of how brilliant our college students, and more over, our dedicated staff, really are.

Another element of studies was reported by Sam Paton: *Within the Year 9/10 Humanities class this term has started with the nuts and bolts of how the Australian government works. We have looked at the importance of major and independent parties within government and the stages of how a bill is transformed into a law. During the term, we did an Australian citizenship test and looked at the different levels of government. We have discussed the formation of the UN and how it has been introduced into the world. The Universal Declaration of Human Rights was explored and this topic led us towards the life of Indigenous Australians regarding land rights. It is great to see that students could reiterate the learnings to me. Good on you Year 9/10.*

Thank you to the college community for a great week!

College Principal
