Dear Parents/Guardians, From Crazy Hair to Shave for a Cure and Cup Cake Day.

All in the name of raising money and awareness of cancer research. The last week has highlighted the big heart our students have to support others for worthy causes. What an impressive day last Friday was. Crazy Hair Day as part of the Shave for a Cure movement was the huge hit to end last week. Our brave Year 12 students; Mitchell Grogan, Mitchell McColl and Daniel Bates shaved off their locks to raise money for cancer research, whilst Max Houston had his legs de-haired with the painful waxing. Ms Austin also came on board and had her hair coloured. Their were many with crazy hairstyles, including our great staff, and all within the College community donating a gold coin in support of this great cause. The amazing total of raised funds were **\$2370.90**

This week we had the cup cake day where our primary students baked cupcakes in their hundreds and all with brilliant designs and colours. The cupcakes were sold throughout the school. Everyone loves a cupcake and even more when the funds raised are, once again, supporting cancer research.

Junior Campus Lunch-time Fun

There's nothing better than seeing those outdoors even as we come into the colder months. At the Junior Campus the farm yard play, monkey bars and art workshops are still going strong. This definitely brightens my day. As we plan the new building, we will ensure these spaces remain priority is definitely at the forefront of the planning.

beautiful smiling faces of all our students playing and continuing to enjoy the outdoors even as we come into the colder months. An Artists Impression of the New Junior Prep-Year 4 Building

Soon the College will commence the specific design development of the new F-4 building of which will commence early November 2018. The excitement has increased as architect Mario Duvnjak presented to the College staff and some parents last week, an artists impression of a potential external view as well as building layout. Whilst we are in the early stages of reviewing

services and utilities required to facilitate a phenomenal learning space for our F-4 students, the design development stage will soon be upon us. The architect is excited to work with a design that compliments our beautiful environment and outlook whilst ensuring efficiency in energy use remains a key factor. Play areas as well as flexible learning spaces are also key factors in the design development. The internal design as an artists impression will soon follow. We are currently teasing out the utilities and services required to ensure the best learning space possible for our younger learners. A college community meeting will soon be held. Exciting times ahead.

Wishing you a great week ahead.

College Principal

Positive Climate update

In the coming weeks students from specific year levels will have the opportunity to participate in programs and workshops that our school has been fortunate to gain funding for. On Tuesday 5th June, all Year 7 girls will attend a Girls World workshop from 9:15am – 3pm at the CNC building with Samantha Lowe from Shanaluke Natural Therapies from Wodonga. On the same day Year 9/10 girls will participate in Project Empower run by Country to Canberra which will focus on leadership. This will run in the library from 10:30am-12:30pm. Year 9/10 girls are reminded to return their 'Media Consent and Release' form to Mrs Edwards or the office by end of next week.
