Dear Parents/Guardians,

Apologies for last week's formatting issue; we had missed the names that had dropped off before printing. Therefore, please acknowledge and congratulate the Cross Country Age Champions for the following student; 17 Years: Amy Whitehead, Buckley Wilson, 20 Years: Georgia Bandy, Bailey McKimmie. Well done to you all.

Whilst many are looking forward to the term 3 break, I would like to acknowledge the VCE students and staff that will be working over this time to ensure they are well placed to complete their studies. It is during this time that the staff work around the clock, tutoring, and making sure every one of their students understand all concepts they have spent time studying over the year. Thank you to all our amazing staff. These students and staff will only have a few weeks on their return to term 4 before VCE exams commence.

Next term, week 1 and 2 the primary students will participate in Student Led Conference. Interview times will be open through the usual parent teacher interview booking system. All primary students should have already received their letters. Please call the office if you have not received this.

Fees and Payments - Are you up to date on your fees and payments?

Some may question why school fees are needed. Monies paid for school fees are a vital part of the learning programs that are facilitated for each and every child in our college. We rely heavily on these to pay for your children's day-to-day resources and the great learning activities they are engaged in. You would have, at the end of August, received a statement outlining fees owing. In some cases there have been some quite old outstanding payments and I ask you to please make arrangements to see me at the start of term 4 if you wish to make a payment plan for this.

SEAL Day for ALL Primary Students

A huge thank you to SEAL Coordinator Sharyn Nankervis, who put together a brilliant day for primary students from Khancoban Primary School, Walwa Primary School and our own college. SEAL stands for Student Emergency Active Learning. The day gave students the opportunity to engage in and learn emergency skills that are directly linked to various emergency and support services: Ambulance, SES; State Emergency Services, Red Cross, Police, Forest Fire Management, and CFA; Country Fire Association. Thank you to all of the volunteers from each service that gave our community's students a great experience and introduction on how to be safe in our environment, inside the house, first aid skills, and the rich knowledge in the importance in each of our much needed services. This was also a great opportunity for our students to build a connection with all the services, building trust and higher respect for our hard working community. Thanks to Walwa and Khancoban for being part of the day, it is always so beneficial for the children of community to also being part of building strong relationships.

Friday and Saturday night I performed at the Machinery Club Rally event, the people who also attended the event were very lovely and encouraged us as we performed both nights. Performing in front of an audience can be very scary at times, but having a few people join in with singing and dancing made the night a lot more enjoyable and comfortable. We sung many songs including Lanterns and Faded, as well as a couple of happy birthdays. I had a lot of fun performing and may do it again next year.

Grade 4 Camp Adventures

Grade 4 enjoyed three days of adventure activities at Snowy River Camp during last week. We loved the flying fox and getting wet on the dam. Thanks to Mr H and Ms Ross for taking us and helping us enjoy it.

Year 2 students thoroughly enjoyed their visit to the Corryong Museum last week. The students had been learning all about the 1800's in class and then were able to dress up on the day and experience life in the 1800's. They visited a school class, played old fashioned games, danced, watched a blacksmith work and ate some damper. A big thank you to the Museum staff and all the parent volunteers for helping make the day such a success.

SCHOOL SOCIAL

Just two kits left until the much anticipated Social for 2018 on Friday 12th October! Our student leaders are putting their heads together party planning for your enjoyment.
