Dear Parents/Guardians,

### College Happenings

Congratulations to all the Year 12s! All exams are finally finished and Year 12s will celebrate their graduation this week at their Graduation Night. We are all looking forward to this lovely night to celebrate each of our Year 12s and those who have supported them through their learning journey.

Head Start has been a highlight for Year 10 and 11 as they get a taster for their next years subjects. During this time, they will have also received work to help ready themselves for their 2019 studies.

Year 10 will venture to their choice of work experience next week. Majority of students have done a great job in seeking out workplaces and working closely with Nikki Nugent who works tirelessly to ensure students have every opportunity to be placed in their desired fields. This takes great effort as work variance is limited in our rural area. I would like to acknowledge the great work that Nikki does and thank her for the consistent dedication she presents daily.

Bike rides for our Outdoor Education students have included venturing to Khancoban tracks and out to Colac Colac over the last couple of weeks. Whilst CFA have had their award ceremony that saw the Year 10 crew presented with their CFA Graduation certificate. Congratulations to Angus Pilli, Riley Saxon, Ben Pittman, Charlie McKimmie, Eliza Grenda, Jack Ross, Sam Harrison, Emma Byatt, Kristen Ross, Ryan Norman, and Hannah Pole. Thank you to Renata Coppola who is our Corryong College CFA Coordinator. Her interests in the CFA has extended outside of the college as she attends the local CFA crew during the week. Renata will be taking our current Year 9 CFA students on the Year 9 CFA annual camp next week where the crew leader will be nominated and confirmed. Renata also holds the 2019 CFA crew member interviews for our current Year 8 applicants. The CFA is a brilliant opportunity for students to build leadership capacity, represent the college and also learn the high skills needed to be in the CFA crew. I would also like to thank the many CFA volunteers that make this great opportunity possible.

The juniors had their Bike Ed last week, learning road safety and bike etiquette. Whilst this week, the Foundation to Year 2's venture to Albury for the Fruit Fly Circus and Year 3 have their first school sleep over. It has been a bit dicey with the weather this week, affecting staff concern about the go ahead of Tough Mud. However, our students have evidenced their dedication and emphasised that it 'must go on, rain, hail or shine!'. More about these great events next week.

**Think - Start - Grow**, held 5th December in the centre of Corryong is a MUST for you DIARY! I have heard nothing but brilliant reports about this program for students to experience a hands on interactive digital taster. Unfortunately this is occurring during the Pupil Free Day 5th December. I encourage all parents who are welcome to bring their children to this great opportunity. I have been working with the coordinator of this event of which will hopefully see opportunities within school during the early 2019 calendar. Make sure you take your child to this great opportunity.

### 2019 Laptop Leasing Program

Information regarding the 2019 Laptop Leasing Program will be sent home to all relevant students; 2019 Year 5, 7 (including feeding schools), 9, and 10. The laptop program provides your child with a vital tool to access their educational needs across all learning areas.

The information letter will outline laptop specifications, confirmed costs and payment options. The payment system, like 2018, will be paid in quarterly payments. Laptop purchases, by the college, will occur when deposits are paid. Please see me immediately should you have any concerns about this program so we can work through this together. All orders will need to be finalised by December 7th.

Other year groups will be reviewed. However, please get your laptops to Tyrone or Mr Melhuish at the college if your computer is requiring servicing, if it running slow, taking extended time to start, etc. Now is the perfect time as Year 11 cease their educational program.

### Coming Next Week:

16 days of Action commences Tuesday 27th November with a march from Attree Park to Corryong

### REMINDERS:

1. When collecting your child or children from the college, please remember that you need to sign them out in person at the front office. This can be done at both campuses. This is a legal requirement and I you all for your cooperation in this matter.
2. Please remember there is a pupil free day 5th December

College - 12:15. This march highlights the need for awareness around family violence. Year 4 to 5 and Year 6 to 7 Information Evening will be Wednesday 28th November 7:30pm.

Fran Heath - College Principal

### 2019 Foundation Transition Dates

Friday November 30th 9-1pm

Friday December 7th 9-3.20pm

Gemma McNamara and Cecilia Paton travelled down to Melbourne last weekend to compete in regional swim trials at the Melbourne Sports and Aquatic Centre. Both students swam very well and thoroughly enjoyed their experience.

Dear Colac Colac Caravan Park, Parents and Friends,

Thank you for giving up your time and resources to help us have an amazing bike riding day last Thursday. Your presence with us and your help along the way made a safe and excellent day out. We loved cruising along the bike path and cooling off in the creek with friends. Having a lovely place to ride to was a perfect conclusion to our Term 4 Bike Education sessions. We look forward to riding again with parents and friends in 2019.
