Dear Parents/Guardians,

This term has absolutely flown. Being a short term is not always an easier term but quite the opposite. All college staff and students have been working around the clock to get the same quantity of work completed in a shorter period of time. Therefore I congratulate you all on a brilliant 1st term for 2018.

Uniform refresher!

Please find attached the uniform policy that is created and reviewed by the school council. Please read through the policy and ensure your children are dressed accordingly. Please note the winter uniform so you can prepare over the break, ready for the colder months. Thank you all for your cooperation.

Its not too late to give your feedback.

Please if you haven't already, I ask that each family complete the quick parent survey. A greater response is needed to gain a complete picture of parent perception and responses. The link: <https://goo.gl/forms/CLXD2eLKYZH8DXR2>

Great to see our students perform well at community events

It was great to see our students compete in horse events at the Jinjelic Show on the weekend, as well as some students in the various shows of photography, art, crazy animal designs made from fruit or vegetables and the college coffee trailer in full action. I was extremely impressed with Rahni Houston who manned the coffee trailer all day Saturday, under the supervision of Helen Marshall and Nadia Edwards. Moreover, it was great to see a young new recruit; Angus Edwards, being taught by Rahni to assist with job of Barister. Well done to all the students who participated in the event. I am looking forward to seeing others participate in the Man From Snowy River Festival in the next couple of weeks.

Laptop - expression of interest (Year 5 and 9)

You would have read the laptop options in KIT (9th March) that were to be made available. Out of the three options, the Chromebook has had to be removed. We have been informed that, unfortunately, the chrome book operating system is not compatible with many of the departments applications and therefore will be highly problematic during times where mandatory applications are utilised; On Demand testing, future move to online NAPLAN, online Attitudes to School Survey, as well as learning tools available through department. A letter will be sent home requesting your expression of interest for parents of Year 5 & 9. These year levels will require a 4 year warranty and support package. Other year groups will require a 3 year package. This is due to the specific stage of schooling that corresponds to the particular year group. For example, Year 10 would not need a 4 year package as this time period would exceed their schooling years. Year 6-8 would be best to get a 3 year package, dropping the total price. Parents will find that their Year 5-9 children may need to purchase another device to see them through their total schooling. Greater detail will be sent home shortly. I thank you all for your patience in allowing us to get this program set correctly which will make for a greater sustainable and more efficient program in the long run.

Great effort from our young shooters!

A great job from our Corryong College shooters. Not only did they represent the college well, but the B Grade shooters (Travis, Charlie and Jack Ross) brought home the cup once again to the college grounds. Stephen Melhuish, who took the students, was very proud of them all. Pictured here: Tyler Humphrey, Travis Bandy, James Whiteley, Jack Miller, Charlie McKimmie, Ben Hewatt, absent at time of photo: Jack Ross. Congratulations to you all!

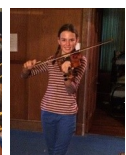

Music to our ears!

Corryong College were represented well by Alister Bailey, Abi Davis, Elsie Drummond, Bailee Nicol, Hannah Paul, Josh Tomaseti and Ms Renata Coppola who spent three days performing with other schools in bands, ensembles and choirs. All students should be very proud as Ms Coppola said that stepped out of their comfort zone to perform solos and into groups of students that they had not met before, yet they developed great rhythm and melody that impressed their listeners. Well done to everyone that represented the college with confidence and pizzazz!

As the holidays are upon us, I wish you all a happy and safe break and time to enjoy fun and laughter with your friends and family. Happy Easter to you all!

Fran Heath

College Principal

Full school uniform must be worn on all excursions unless exemption has been authorised by the Principal or Assistant Principal. Parents are expected to ensure the purchase of appropriate clothes to enable students to be in full school uniform at all times.

A dress code applies to the way students wear uniform and casual wear. The dress code is provided at the start of the school year and upon enrolment. The dress code requires students to demonstrate commonsense in their selection of clothing and personal presentation.

All Year 11 and 12 students have the option of wearing the College's VCE rugby top.

Only in exceptional circumstances will a student be exempt from wearing uniform.

Items of school uniform and dress skirt fabric may be purchased from the college or Brunella School Wear, Wodonga.

Windcheaters and polar fleece jackets are available through the College.

No items of jewellery are approved as part of uniform but students may wear simple and discreet items, such as a wristwatch or sleepers or small stud earrings. Students are to cooperate with teachers if asked to remove jewellery that is not discreet or that may compromise safety. The College will not be held responsible for any jewellery lost or damaged when worn or brought to school.

Make-up must be kept to a minimum and be discreet.

All items of clothing should be clearly named. Uniform should not be defaced or worn in an inappropriate manner.

Note: If a student is temporarily unable to wear correct school uniform, a note explaining this should be brought to the appropriate teacher before school.

- A second letter sent home
- Parent/s to be contacted directly
